EURONAVAL 2022 - Opening of accreditation platforms for VISITORS and PRESS

Paris, 25th July 2022

EURONAVAL, the largest and longest-running international exhibition dedicated exclusively to the naval defence and maritime security industry, will be held from October 18th to 21st 2022 in Paris Le-Bourget. Held every even-numbered year, it has been the world's leading event for innovation and naval technologies of the future for more than 50 years.

The only defence exhibition in the world to have offered a digital version in October 2020 at the height of the pandemic, EURONAVAL is back in the exhibition hall for an edition that will focus on the return of high-intensity conflicts, cooperation and industrial recovery.

The prospect of this 2022 "face to face" edition is generating high expectations among naval manufacturers, with a significant increase in the number of stand bookings.

SOGENA, the organiser of EURONAVAL, is now opening the VISITOR and PRESS accreditation platforms.

In 2018, at the last face-to-face edition, the exhibition welcomed nearly 25,000 professional visitors and more than 350 journalists.
